FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

MOTION FOR EXTENSION OF TIME

Ojeda Broadcasting, Inc. ("Ojeda"), by its counsel and pursuant to Section 1.46 of the Commission's Rules, hereby respectfully requests a brief one-week extension of time, until and through September 10, 1992, to respond to the FCC's letter dated August 24, 1992. In support whereof, Ojeda states as follows:

1. By letter dated August 24, 1992, Ojeda was asked to amend its application by September 3, 1992, to provide the Commission with certain financial documentation and other information regarding its relationship with the United New Mexico Bank ("UNMB"). Ojeda currently is assembling that documentation and also has begun preparing the requested

amendment. The instant one-week extension of time is being requested in an abundance of caution in order to afford the applicant sufficient time to complete these tasks and to transmit the requested materials to Washington, D.C., for filing with the Commission.

2. Ojeda submits that good cause exists for the brief one-week extension. The Commission has requested the amendment so that it may be fully informed regarding Ojeda's financial qualifications to be a Commission permittee. The extension will permit Ojeda to provide the Commission with a comprehensive array of materials demonstrating the applicant's financial qualifications. Ojeda immediately began gathering these documents upon its receipt of the Commission's letter, and has exercised diligence in responding to the Commission's request. Moreover, because Ojeda is the sole remaining applicant for the Hobbs facility, the brief extension will prejudice no other party. Finally, the extension will serve the public interest by insuring that the Commission is fully informed regarding Ojeda's financial qualifications.

3. Pursuant to Section 1.46(c) of the Commission's Rules, Ojeda has orally notified counsel for Rosemary Houston and the Commission staff responsible for acting on the matter that the motion is being filed.

Accordingly, for the foregoing reasons, Ojeda respectfully requests that the instant motion be GRANTED, and that it be given a one-week extension of time, until and through September 10, 1992, to respond to the Commission's letter dated August 24, 1992.

Respectfully submitted,

OJEDA BROADCASTING, INC.
